

Dear Parents,

Reading with your child is one of the most important things you can do to help your child develop a love of learning. By sharing these extension questions and activities with them, you are helping to engage their imaginations, create opportunities for dialogue and share special moments with your child that will make a lasting impression. Enjoy! Danielle

Extension Questions

- ❖ If you had glasses, what color would they be?
- ❖ If you could live anywhere in the world where would you live?
- ❖ What other animals do you think live in the rainforest with Arabelle?
- ❖ How many people do you know who wear glasses?
- ❖ Arabelle loves fruit, name 5 fruits you like to eat.
- ❖ How many friends did Arabelle play with in the forest?
- ❖ How many people live with Arabelle in her cave?
- ❖ What do you love the most about yourself?

Extension Activities

Math:

Look through the book and count how many fruits you see. Draw a picture of your favorite fruit.

Science:

Go out and buy some watermelon, tomatoes, avocados, or cherries. Plant the pits in a little pot or outside. See what happens after a few days of watering and watching? Is anything growing?

Social/Emotional:

A compliment is saying something nice to a friend. Pick 3 friends and give each a compliment.

Art:

Use your imagination to pretend you have special glasses that let you see amazing things. Get some crayons and draw what you can see with them.
